

# 1. Admissions Policy

## Statement of intent

It is our intention to make Yaddlethorpe Pre-school accessible to children and families from all sections of the local community.

## Our aim

We aim to ensure that all sections of our community have access to the setting through open, fair and clearly communicated procedures.

## Method

In order to achieve this aim we operate the following admissions policy:

- we ensure that information about Yaddlethorpe Pre-school is accessible, in written and spoken form and where appropriate in more than one language. We will try to provide an interpreter where necessary;
- we arrange our waiting list in date of birth order. In addition we may take into account the date of registration;
- we describe our pre-school and its practices in terms that make it clear that it welcomes both fathers and mothers, other relations and carers including childminders;
- we describe our pre-school in terms of how it enables children and / or parents with disabilities to join our group;
- we make our Equality of Opportunity policy available to all.
